

# REGISTRATION GUIDE

## NEW CAMPERS

- 1 Go to [www.campquality.org/apply](http://www.campquality.org/apply) to sign-up; then verify your email, set a password, enter your contact information and create participants.
  - 2 Complete the participant's health profile by logging in, selecting the participant and filling out all required forms.
  - 3 Completing your forms does not automatically secure a spot. Once Camp Quality has reviewed and approved your application, you'll receive an email confirming the participant's enrolled programs.
- ★ For a step-by-step guide through our online registration system, CampDoc, [click here](#).

## MANDATORY FORMS

Before attending camp, all participants must complete the following mandatory forms to ensure a safe and smooth experience:

- **Camper & Family Info** – General details, emergency contacts, and authorized pick-ups.
- **Health & Medical** – Health history, Oncology/Hematology info, medications, allergies, immunizations, and health care providers.
- **Support & Preferences** – Camper support needs, diet, activities, and family assistance details.
- **Consent & Legal** – Waiver and consent form.

**Note:** All participants must meet Camp Quality's immunization requirements, and all relevant records should be included in the Health Profile.
