Dear Camp Quality Families,

It's hard to believe that 2020 is coming to an end, and what a year it was at CQ. We had a year of firsts... first virtual campfire, first camp-in-a-box delivered, first virtual friendships formed, first virtual dance party, first virtual cabin chat and much more. We thank-you the caregivers and parents who helped to make this happen, we truly couldn't have done it without you!

As you know the COVID-19 pandemic has forced the closure of our overnight programs and today we are sharing that it will continue to prevent us from offering our typical overnight summer camp programming in 2021. Based on advice from public health, medical professionals and feedback in our 2021 programs survey, we've decided that the safest and most responsible decision is to continue offering alternative programming in 2021.

What does this alternative programming look like? Over the coming months, our program teams will be bringing to you a variety of creative alternative programming options:

- **Virtual Summer Camp Week:** This will run similar to our program this summer. Campers will receive a Camp-in-a-Box and participate online for a week of camp.
- **Virtual Clubs:** Campers will connect weekly or bi-weekly to learn new skills.
- **In-Person Fun Days:** **[Dependant on Public Health]** Regional camps will host in-person Fun Days outdoors for families to safely reconnect.

Look for continued updates in the coming months, with further details about each of these options.

Registration will be going live in January 2021 for our Virtual summer program and Virtual Clubs.

We can't wait until we can all be reunited in-person again. We want to thank you for your understanding and are sending our warmest wishes for staying healthy and safe this holiday season.

If you have any questions or concerns please feel free to call us at 1-866-738-8011 or email us at info@campquality.org.

Warmly,

Jarvis Strong
