ANNOUNCEMENT

On behalf of the Camp Quality Canada Board of Directors, I am very pleased to announce the appointment of FIONA FISHER to the position of National Executive Director effective March 14, 2022.

Fiona joined Camp Quality in October 2021 as Director of Development. In that role, she has demonstrated creative initiative in leading fundraising efforts, active outreach with Camp Directors and Camp Operating Committee members, and strong leadership in championing initiatives at the national level.

Fiona brings over 25 years' experience in national volunteer management, senior fundraising and community building roles. She began her career in International Development with YMCA Canada and Save the Children-Canada. Fiona was an active member of the Canadian Coalition for the Rights of the Child. Her passion for supporting children's causes led her to Camp Trillium. She worked with volunteers across the province to build the first year-round camp for children and families affected by childhood cancer in Canada – Camp Trillium, Rainbow Lake and has been working to support families affected by childhood cancer ever since.

The Board is confident that with Fiona's collaborative leadership focus, Camp Quality Canada will continue to deliver meaningful and life-changing experiences to our campers with the support of our volunteers and donors.

Please join me in congratulating Fiona in her new role.

Frederick Gladys,
President, National Board of Directors
